You are expected to pay for these items at the time the contract is entered into. The following are some common items and examples that are often identified as disbursements.

Coroner fee – this is a fee charged by the coroner for issuing a certificate that allows cremation to take place. The fee is set by the Chief Coroner for Ontario.

Clergy honourarium – this is an amount paid to the clergy for their services. In some cases the amount is set by the clergy, in others it is an amount to be determined by you.

Newspaper notices – these are charges for death notices placed in newspapers or other media outlets.

Municipal death registration fee – this is a fee charged by the local municipality to register the death. The fee is set by the municipality and may vary.

Cemetery Fees – these are fees associated with opening and closing graves and or purchasing plots.

Organist/Soloist/Choir – Fees to pay someone to play a piano or organ at the funeral service or possibly sing.

Hairdresser – Fees for a hairdresser to come in to our preparation room and do your loved one's hair. Fees vary depending on cut, colour and style.

Receptions – We can arrange receptions at outside facilities via a church or a reception hall. We then pay these people for those services.

Tent, Grass and Device – A tent is set up at the gravesite to shelter family and friends from the weather. (i.e. Sun, Snow, Rain, Wind). Greens and Device dress the grave and hold the casket in place for the service.

Cremation Fee – The fee associated with having your loved one cremated.
